Objective & Guidelines

Purpose:

A network group for businessmen and women taking the opportunity to flourish through:

- Exchange of quality business leads – resulting in new customers and increased sales for your business!
- Building relationships & rapport with other business professionals
- Developing/practicing a good sales presentation
- Involvement in the Chamber –this *ALSO* increases your exposure
- Educating each other -sharing industry knowledge, advice, best practices, etc.

Leads Group Members are **Partners in Business** –committed to doing business with fellow members in the form of either direct business or serving as liaisons to the public for one another.

This group is dependent upon its members working together to grow, support, and enhance each other's business. *We as a whole should rely on each other to be dedicated to this objective in all aspects of our business life!*

Eligibility:

- Availability of open seat -Only one member per profession or specialty can be in a group.
- If an application is received from a business in a particular industry already in the group, they will be added to a waiting list, and will be eligible to join when the spot becomes available.
- New applicants will be reviewed and accepted with a majority vote by the group.
- Each Leads group will have a minimum of 8 and maximum of 14 members.
- Each Leads Group must have at least one DACC Board of Directors member as a participant of the group.

Cost:

\$100.00 per year

Meetings:

1st and 3rd Tuesday at 8:00a, at the Chamber office (310 N. Main, Delphos) or at specified member location.

Each meeting, every member has the opportunity to give a three-five minute business presentation or "commercial". More time can be provided upon request.

- Use this opportunity to highlight the great things going on in your business.
- Be creative, use your imagination! -Change it up each meeting by telling the group something unique about your business (new products, seasonal products/ services, business solutions you'd like to share, new marketing techniques, etc.).
- Treat this as a sales call –this is an open door to talk about your products & services.
- Don't assume people understand what you do . . . teach them!
- You're encouraged to use visual effects to more clearly demonstrate your message.

Members are invited to bring guest speakers. If you'd like to invite a speaker that you feel would benefit the group, please fill out a Guest Speaker form and schedule in advance.

Scheduling for presentations is done on a quarterly basis.

Members are allowed to invite potential new members or customers as a guest once, only if they are a current Chamber member. An application must be filled out and accepted prior to attending a second time.
